Application Process Campaign Specific Selection Process Shortlisting / Interview	The online application system has a time out facility, this is in order to protect the privacy of the user. This time out facility activates if the application has been 'dormant' for over 60 minutes. Any work not saved will be lost if the system times out due to lack of activity. As such please ensure to save your application as you work on it, any lost data cannot be recovered. It might be an idea for candidates to work on their applications outside of the system and copy and paste their answers into the online application forms once they are fully complete and submit then. Once your application is fully submitted you will receive a confirmation email to your profile. If you do not receive this email, your application HAS NOT been submitted and received and you should log back on to submit fully. AI generated content must not be used in your application. Tusla reserves the right to assess if content in applications is likely created by AI in part or in whole. Use of AI may result in disqualification and exclusion from the recruitment process. Short listing may be carried out on the basis of information supplied in your application. The criteria for short listing are based on the requirements of the post as outlined in the eligibility criteria and skills, competencies and/or knowledge section of this job specification. Therefore, it is very important that you think about your experience in light of those requirements. Failure to include information regarding these requirements may result in you not being called forward to the next stage of the selection process. Those successful at the shortlisting stage of this process (where applied) will be called forward to interview.
